

IMPORTANT INSURANCE INFORMATION

Welcome to National Sleep Therapy! Thank you for choosing to work with us to manage your sleep apnea. We work hard to provide you with proactive, intelligent, and respectful care.

Your CPAP equipment was billed to your insurance company using your "Out of Network" medical equipment benefit. As such:

- You may receive our payment check from your insurance company for the equipment. If this happens you **must endorse the check** to "National Sleep Therapy" and return it in the envelope (found in your blue and white folder) with the **Explanation of Benefits (EOB)** you received from your insurance company.

How to Endorse a Check

1. On back of check, write "pay to the order of National Sleep Therapy"
2. Sign Check

- Please return the check with the EOB within 7 days in the envelope provided to avoid your financial obligation of the entire amount including the copayment and or deductible, which can be thousands of dollars.

If you lost the envelope, please endorse and send the check and EOB to:
